

Texans Take Notice In B. G. — Not Texas!

A record breaking 8,696 tons of sugar cane was ground by the huge mill at Glades Sugar House, Tuesday, November 17, 1964. According to established past results, this is the greatest amount of cane ground by any mill on the United States Mainland, in any one day.

Officials at the Cooperative are optimistic in that they are confident the Mill can grind even more than the record figure. An addition to the factory this past summer increased the capacity and expectations for outstanding performance are running high.

The 35-member Cooperative is proud of its employees as well as its factory operation which has just begun its third season. An estimated 1,350,000 tons of cane from approximately 35,000 acres will be processed between now and the end of the season.

Frost Warning Service Open In Glades

The Belle Glade Herald will furnish a "Frost Warning Service" starting this week, with information supplied by Mr. Wilbur Mincey, a field meteorologist with the U. S. Weather Bureau and the Florida Agricultural Experiment Station, and will give a five to seven day weather out-look.

The Frost Warning Service, sponsored jointly by the U. S. Weather Bureau and the Florida Agricultural Experiment Station, began its 30th season of service to the state Nov. 14, when it issued its first of the season's periodic bulletins.

According to Warren O. Johnson, Meteorologist in Charge, in Lakeland, Florida, says the Frost-Warning Service helps farmers and growers prepare for freezing weather by issuing regular bulletins through Nov. 31.

Released three times a day, the bulletins are transmitted along a teletype line which encircles the state's frost-prone region.

Many growers, cooperatives and state agencies have the teletypewriters installed in their offices to receive the forecasts and data.

Information which is relayed on the line includes daily

L. P. Parson Named Superintendent Of Sumter Correctional Institution

The Director of the Florida Division of Corrections, Mr. Louis L. Wainwright, announced today that Mr. L. P. Parson has been promoted from Assistant Superintendent at Glades Correctional Institution, Belle Glade, to the position of Superintendent of the Sumter Correctional Institution near Bushnell.

Mr. Parson is 35 years of age and was born in Dubuque, Iowa. He was educated in the secondary schools of Mt. Berry, Ga., and attended the University of North Carolina and the University of Miami.

Mr. Parson has been a resident of Florida since 1930 and has had diversified background in the farm implement business, livestock herd development, and building construction. He was first employed supervising construction at the Glades Correctional Institution from 1952 to 1954. He spent four years developing the institution's livestock operation and then served

"HAP" PARSON

as Industries Supervisor over the entire agro-industrial operation from 1958 to 1961.

On January 1, 1961, Mr. Parson became Assistant Superintendent at Glades Correctional Institution and in that capacity he had broad responsibilities in all phases of institutional operation and administration. The Glades Correctional Institution plays a key role in that it provides quantities of vegetables,

4500-Ton Daily Capacity Mill Of Atlantic Sugar Association

The determination of two-score farmers to "get into sugar" reached an historical fruition, when grinding began at the 4500-ton daily capacity, Atlantic Sugar Association's Mill at 8:30 Monday morning.

Cutting, which began on schedule, reveals a harvest "within our estimates as to tonnage and sucrose" according to an official of the Cooperative.

A. J. Ramirez associated with the engineers, Industrial Consultant and Management, reports that "five of us will stay of course as consultants until full production is reached."

A "shake-down" period, even after trial runs, usually begins as there is a great deal of coordination in the complex of automated machinery, but at present time, stoppages have been of very pleasant minimum, according to reports.

Daniels Construction Co., the General Contractors, apparently without fanfare or bombast, casually delivered the finished job according to completion date schedule, as routine.

Because of much cane less-than-a-year in growth, the first harvest will produce a short "craze," with a consequent shortening of the planned 100-day grinding season. Some two and a half months are expected to see the end of Atlantic's first harvest.

The general management of the mill is under the direction of Francisco M. Cuchó Fernandez, with Mr. Mario Ullivari as chief engineer. "We are extremely well pleased with the smooth operation of the plant so far," said Mr. Ullivari, "but we are going to take it easy; it will be six weeks or so before we attempt to approach capacity."

Dec. 2 Public Hearing On Importation Of Foreign Labor

A public hearing is to be held in Miami at the Bay Front City Auditorium on December 2, to consider the criteria for importation of Foreign Agricultural Workers, according to news release from the U. S. Department of Labor, W. Willard Wirtz Secretary.

All interested parties are invited to present their views, either orally or in writing, to the hearing examiner on such matters as wages, housing, insurance, transportation expenses and other terms and conditions of employment. Written views should be mailed to Chief Hearing Examiner, Office of the Solicitor, U. S. Department of Labor, Washington, D. C.

With the expiration on Dec. 31 of Public Law 78 (Title V of the Agricultural Act of 1949) and the Migrant Labor Agreement of 1951, authority for the temporary admission of foreign agricultural workers will be confined under Section 214 of the Immigration and Nationality Act of 1952 as amended.

Under this Act, authority is assigned to the Attorney General to make determinations on all questions bearing on the importation of foreign workers for temporary employment in the United States.

In passing upon employer requests to import or retain foreign labor for temporary employment, the Attorney General, by regulation, requires certification from the U. S. Employment Service concerning the availability of like labor in this country. The certification shall also state the USES' policies have been observed. One of the most significant of these policies prohibits the employment of foreign workers in a manner which will adversely affect the wages and working conditions of domestic workers similarly employed.

The public hearing is for the purpose of assisting the Secretary of Labor in establishing the criteria to be applied in making the necessary certification to the Attorney General. After receiving all the views presented by the interested parties, the hearing examiner will certify the record to the Secretary for his determinations.

All sessions of the hearing will begin at 10 a. m., local time. Formal notice of the hearing is being published in the Federal Register.

Helpful Program Here Tonight For Cardiac Patients

Ways to help the stroke or cardiac patient get back on his feet will be demonstrated tonight, 7:30 p. m., at a free open to the public, program, at the Belle Glade Civic Center.

The local Heart Association is sponsoring this program for the public as the second part of a two-lesson course, "Winning Heart Health."

The Hospital Auxiliary at Glades General Hospital is co-sponsoring the course which is designed to help cardiac and stroke patient in his rehabilitation at home and to instruct the family in the role they play.

Mrs. Julia Hampton, R. N., Glades Area Supervisor of Public Health Nurses, will instruct the class. A film and slides will be shown. Procedures and equipment used in caring and rehabilitating the heart patient will be explained.

Dr. J. Allen Baker discussed medical aspects of heart and stroke patients. The first program last Thursday night.

Mrs. Guy Wood, Jr., field representative for the Heart Association, invites stroke and cardiac patients, their families and persons interested in the problems of heart diseases to attend.

Mum Cossages For Rams 'Best Gals' Construction To Begin Soon On New Elks Home

Members of Elks Lodge 1716 of B. P. O. E. approved a \$120,000 construction program to erect a new hall when the project was voted on at the regular meeting Monday evening.

The new 12-story CBS home will have over 14,000 square feet and will consist of a Lodge room, social lounge, family club room, dining room and other necessary space to accommodate the Lodge's 300-plus members.

One new addition to the building will be a steam room affording steam baths for the members — the only service of this type in the Glades.

The new structure, to be built on the present site, will go up to just west of the present Lodge building on S. E. Avenue E. At this time, the Lodge's has not decided just what will be done with the present building.

Contractor Bert Roemer will be in charge of the construction which will start within the next three weeks, with a completion date set for sometime around May, 1965. Roemer will be assisted by many of the other lodge members who are in the construction industry.

The club will continue to hold its regular meetings in the present location until the new home is completed.

Activities will continue as usual with a steak dinner and dance planned for Lodge members and their guests for this Saturday night, Exalted Ruler Davis Kicklighter announced.

At Annual Banquet

B. G. Chamber Of Commerce Will Award "Man Of The Year"

Who will be the "Man of the Year" is the question everyone is asking. The answer, known only to a special committee appointed by the Chamber of Commerce, will be made public next Tuesday evening at 7:30 p. m. when the Belle Glade Chamber will hold its annual banquet at the Belle Glade Civic Center.

The award will be made to one who has given to the City of Belle Glade outstanding leadership and community service.

An outstanding and eventful evening has been planned by the Banquet Committee headed by George Wedgworth. Other members of the Committee include Bill Rhodes, Dr. Thomas Baker, Roger Levesque, and Bob Lee.

Sugar Boosts Carlot Total

Sugar and molasses are adding materially to the total carload shipments from the Lake Okeechobee area, as these items have accounted for a total of 213 cars so far. Sugar shipments will undoubtedly fall off during December because of the lack of marketing quota until January 1st, of '65.

Detailed movements are as follows:

Week of November 17th	Week Season
Beans	0 1
Celery	24 31
Corn	4 32
Cakes	1 2
Escarole	1 1
Radishes	5 5
Mixed Veg.	48 64
Total	93 138
Last season: 253	
Sugar: 185 cars for season	
Molasses: 28 cars this season	
	27 last season.

Mr. Parson now will have the significant responsibility of planning and development of operations and programs connected with the opening of the Sumter Correctional Institution in 1965. This institution is one of the most advanced in the nation. It is scheduled for dedication December 8, 1964, but will not be in operation for several months.

Mr. Parson is married and has two daughters. He is active in local civic affairs and is a member of the Methodist Church, Masons, Belle Glade Chamber of Commerce, Port and Waterways Committee, American Correctional Association, Florida Correctional Association, Florida Correctional Education Association and National Association of Institutional Farm Supervisors.

Roberts Attends Legislative Meet

Representative Emmett S. Roberts was in Tallahassee Friday and Saturday attending a meeting of the Legislative Council regarding personnel and retirement problems.

Rep. Roberts was appointed by Senator Connor to a committee to study the advisability of the legislature holding annual meetings. This committee, Mr. Roberts said, is to report to the legislature next April on its findings.

With the growth of the state, particularly the problems encountered in budget making and appropriations, which now have to be handled two years in advance, many legislators feel that an annual session should be held on budgets, Roberts reported.

FPL Workman Is Injured Monday

Elon Alford, resident of 125 S. E. 6th Street, Belle Glade, and employee of Florida Power and Light Company, was injured Monday, and two other workers escaped without injury, when a 50-foot pole fell while being erected on the site of a new Super Market.

Alford was working atop the pole when it pulled out of the ground and fell. He was treated at Glades General Hospital for minor injuries, and then released, being injured in the right thigh and right leg bruises.

Other linemen working with Alford were Homer Latham, of South Bay, and Jerry Frier, East Palm Beach Road. From his position, Alford could not get free of the pole when it first began leaning.

DCT Students Report On Activities

Rotarians heard a report on DCT training and were informed on how the program works, when two DCT students and their coordinator Wayne Fortenberry were guests at last Friday's Rotary meeting. Susan Schoepel, (right) in training as a teller with the Bank of Belle Glade, reported on her training program, and Roy Birch, who is training for assistant manager's work with Royals explained what the DCT program consists of. The students reported this year's group is the largest yet, and the 22 members have earned combined salaries totalling \$4200.00 for September and October, even though all were not placed at the first of the school year. From these wages they report combined individual savings of \$780.00 for the first two months.

Driver Escapes From Canal Plunge

The canal waters almost had another victim last week, but luck was on the side of the driver and he escaped.

Don B. Cullimore, 21, of 21 Green Terrace, Palm Beach, an information and education officer at the Florida Game and Fresh Water Fish Commission, was driving east on highway 69 about 17 miles from Belle Glade when the state-owned station wagon began to skid and fishal on a section of the road that had just received a fresh coat of asphalt.

According to Florida Highway Patrol Trooper Calvin Lockwood, the station wagon traveled 100 feet before plunging into about 7 feet of water. Cullimore said the window on the driver's side of the station wagon was open and he was able to float out.

A feed company truck being driven by Enrique Ernesto Tomacu, 36, of 525 NW 18th St. in Belle Glade, trying to miss the skidding station wagon before it plunged into the canal, overturned on a shoulder of the road. The pickup truck belonged to the Gator Feed Co., 1015 NW 12th St., and slid some 69 feet before turning over. Traffic on the main east-west artery was slowed for almost two hours while wrecking crews righted the pickup truck and pulled the submerged station wagon from the canal.

Damage to the station wagon was estimated in excess of \$1,000 while damage to the pickup truck was estimated at \$150.

Suncoast Conference Round-up

Larry Bush, Sports Editor

The stage is about set and the curtain nearly ready to be drawn on the climatic Game of the Year in Suncoast Conference football.

Palm Beach and Forest Hills continued to roll in Friday, each winning its eighth straight game. Each has one more to go before their meeting Thanksgiving Eve.

The Wildcats play Cardinia Newman, a non-conference in tri-city rival Thursday night at Cooley Stadium in West Palm Beach. On Friday, Forest Hills is host to third-ranked Seacrest Newman.

Newman, a Class A school has a 4-4 record. The Crusader were beaten by Miami Military 20-0 last Friday and do not figure to be able to handle the talented Wildcats.

It's a different story for Forest Hills, however. As Seacrest has won its last four games beating Fort Pierce, Belle Glade, Pahokee and Vero Beach, The Shawhnees have a 5-2-1 overall record.

At both Palm Beach and Forest Hills win this week, there won't be enough room at the Falcon's field to hold everyone who wants to see the game Thanksgiving Eve. A crowd of 10,000 has been predicted.

Both games romped to easy wins last Friday. Mike Upeniski scored two touchdowns as Palm Beach handed Pahokee its eighth straight loss 28-0, and Ricky Rhodes had a pair of TD's as the Falcons made a shambles of Stuart's vaunted defense 26-0.

In two other games, Seacrest stopped Vero Beach inside the 10-yard line four times and blanked the Indians 12-0; and Fort Pierce and Belle Glade battled to a scoreless tie in a defensive game as one could ask in high school football.

Lake Worth and Riviera Beach were idle.

Other games this week are Pahokee at Fort Pierce, and Lake Worth at Stuart. Riviera Beach hosts Jupiter, a neighborhood non-conference rival.

In addition to the Palm Beach-Forest Hills game November 25, other traditional matchups are Belle Glade at Pahokee, Fort Pierce at Vero Beach, Seacrest at Lake Worth, and Stuart at Riviera Beach.

Ron Massey made his eighth touchdown of the season Friday night and leads conference scorers with 48 points. Rhodes is followed by 42, followed by Mike Craig, Seacrest, 36; Bucky Holt, Belle Glade, 35; and Steve Knapp, Forest Hills, 31.

Palm Beach center Dave Barnhart set a conference record for extra points when he kicked four against Pahokee, giving him 22 for the season, one more than Fred Mayer boot for Lake Worth in 1962.

The standings:

W	L	T
Palm Beach	8	0
Forest Hills	7	0
Seacrest	5	3
Lake Worth	5	2
Vero Beach	4	4
Stuart	3	5
Belle Glade	2	5
Fort Pierce	1	5
Riviera Beach	1	6
Pahokee	0	7

Cardiac Program Given By The Heart Association

CARDIAC PROGRAM WORKERS — Mrs. Ben Woods (left, back row) is Glades representative of the Heart Association; Center is Mrs. Julia Hampton who heads the Glades Public Health Service; right, Miss Lynn Barile, program director of the Heart Association. Front row Dr. J. Allen Baker and Mrs. Guy Allison chairman of Public Education Committee who has long been active in Heart Association work.

Mrs. Ben Woods, Glades representative of the Heart Association, introduced Dr. J. Allen Baker to a group of interested persons Thursday night at the Civic Center for a discussion on the heart, its workings with the how and why of heart attacks.

Two films were shown by the Association's representatives from West Palm Beach. In a question and answer period following the films Dr. Baker answered all questions by the audience and brought out some significant facts in a very understandable manner.

The corroding of the arteries (hardening of the arteries) occurs in folks' bodies for different reasons, according to the doctor, but the end results is likely to bring on a "heart attack" by sudden overloading of the arteries' restricted channels of passage.

Clot formation was depicted graphically by the film, as well as the passage of clots into a restricted artery and the closing off of that artery and all tributary veins.

So far as activity is concerned, "Just live a MODERATE life of activity without fuss or furor and avoid sudden calls on the heart for extra work during convalescence."

There will be another Heart program held for Glades citizens Thursday night, November 19, at the Civic Center.

Guil's Turkey Dinner And Bazaar Opens At 1:00 Thursday, Nov. 19

"Rule of Life" was the devotion theme given by Mrs. Tom Chappel at St. Elizabeth Guilds meeting held at the home of Mrs. Sara Shera Smith last Wednesday evening.

The meeting opened with the group reciting the Apostles Creed, led by Mrs. Nell Seal, and was followed by scripture reading the group recitation of "The Lord's Prayer."

A prayer for the success of the annual Turkey Dinner and Bazaar which the Guild is sponsoring today and tonight, was given.

During the business meeting a report was given by Mrs. Doug Matthews on the nominating committee's selection of officers for the coming year. The slate will be voted on at the next meeting in December.

A report was made that two boxes of winter clothes have been sent to a mission in Sherwood, Tennessee.

Mrs. Jim Winchester gave a report on the Deaneery meeting she attended Wednesday in Del Rio. Others who also attended were Mrs. Thomas Breggert, Ed Dick Poston and Mrs. Mel Sheehan.

The president also reported that a mission would be held at Holy Trinity in West Palm Beach from November 29 thru December 6, at 7:30 nightly, by Father Stevens from Holy Cross in New York.

The report to the meeting Mrs. Sam Knight reported on final plans for the Dinner and Bazaar headed by Mrs. Howard Payne, Mrs. Emmet Roberts and Mrs. Knight.

Publicity chairman, Mrs. Tom Chappel, reminded that the Bazaar opens at 1 o'clock Thursday, November 19, and dinner will be served beginning at 5 o'clock.

Thanksgiving Day Services At Christian Science Church

Thanksgiving Day services will be held in First Church of Christ, Scientist at 11:00 a. m. Visitors are welcome.

One feature of the service will be a period when individual Christian Scientists stand up voluntarily to express their thanks to God in their own words.

The sermon on "Thanksgiving," as in all Christian Science services, will consist of readings from the Bible, and also from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. There will also be hymns and a period of prayer.

The Golden Text for the day is from Psalm 22: "All the ends of the world shall remember and turn unto the Lord; and all the kindreds of the nations shall worship before him."

A related passage to be read from Science and Health includes these lines: "It should be thoroughly understood that as men have one Mind, one God and Father, one Love, and Love, Mankind will become perfect in proportion as this fact becomes apparent; as peace and true brotherhood of man will be established" (p. 467-9-13).

Building Fund Drive Underway For Belle Glade Church Of God

The Church is endeavoring to keep the cost under \$20,000, with volunteer help and doing their own work. The members are doing all they can by various means to raise money for the buildings. They are having ham dinners, chicken dinners, bake sales. The Young People are having car washes, selling their quilts, and plan doughnut sales in the future. "The Church of God felt that it was only right for them to do all they could to help themselves before they begin to ask others to contribute," pastor Madison W. Sindle said.

Sunday, November 29 will be homecoming day with an afternoon sing. The minimum goal for this day is \$1,500.00 towards the building program. "We hope that many in Belle Glade will be contacted in person or by letter, but if anyone is missed they can contribute by mail to the Belle Glade Church of God Building Fund, 537 S. E. 4th Avenue, Belle Glade, Florida. Any gift however small will be greatly appreciated," the pastor stated.

Whenever we meet with something that seems a unit, we should hold firmly to our faith in God. Let us remember God's law is at our feet. His law is sure and unchanging, that His justice always prevails.

Lutheran Youth Will Conduct

Sunday Service

The Sunday Morning Worship Service of St. Peter's Lutheran Church of Belle Glade, will be conducted by the Walther League of the Church. They will present a sermon, which has been dramatized into play form. The theme of the sermon is "Were There Not More Workers Are The Others?" Two questions to be asked by Christ on Judgment Day. The text is Matthew 28:19. Time of Worship is 10:30 a. m.

Leading the congregation in worship with the dramatized sermon will be: Libby Alred, Amanda Bailey, Billy Fuller, Millie Kirchman, Wilma Kirchman, Melanie Kruze, Jerry Nehls, and Bobby Strong.

St. Peter's would like to invite the public to come and worship with us as the young people lead us in the praising of God, the Father, Son, and Holy Ghost.

Altar Society Held Regular Meeting Tuesday

The Altar Society of St. Philip Benizi Catholic Church of Belle Glade, held their regularly scheduled meeting Tuesday night, Nov. 10th, at the Parish Hall. At this time, it was discussed and voted upon to have a Rummage Sale December 5th.

St. C. Bowen stated that she would like to express the appreciation of all members for the cooperation they received toward the success of the recent car party. It was a big success.

Also voted upon at the meeting was the idea to hold a shower for a needy child at the next meeting. Each member is asked to bring an item for a child, such as diapers, shirts, etc. Mrs. Bowen stated.

Mrs. Alfred Weber, program chairman, explained the meaning of the Advent Wreath.

The members also voted at this meeting to sponsor a Girl Scout Troop, under the chairmanship of Mrs. David Lavan. President, Mrs. Laura Lockmiller, reported on the Denary Meeting at Delray Beach. Theme of the meeting was "Spiritual Development," and another topic for discussion was "Catholic Charities and What It Means."

The Moderator also explained the meaning of C. C. D. and its member workers and how they go about their work.

Those attending were: Mrs. Sue Murphy and Mrs. Joe Friedheim. At the December meeting, Mr. Eugene McCabe will show slides of his trip to Russia.

SPECIAL NOTICE!

By Members Of Southside Church Of Christ (Meeting On U. S. 90, South—Across From Bowling Alley) Belle Glade, Florida

We, as members of the Church of Christ (Southside) Belle Glade, Florida absolutely stand against Communism, as well as against other "isms."

However, it is our desire at this time to point out that this church did not participate in the program "The Kremlin's Plan For You," Sunday, Nov. 15, 1964, 5:30-7:00 P. M. as advertised in Saturdays, Nov. 14, 1964 Palm Beach Post (page 3) and further written up in Monday's Miami Herald, Section B page one and advertised as "Sponsored by Churches of Christ of South Florida."

The following article (although not written by a member of the Church of Christ) will state our position on the aforementioned program, as well as on all social and political matters in relation to the work of the New Testament Church, which wishes only to speak where the Bible speaks and be silent where the Bible is silent:

How Shall We Be Occupied?

Suppose Jesus were born in 1930 and His advent into history in our time. Suppose his public ministry were in the mid-twentieth century. Would he have done things differently?

For example, would he appear before United Nations, appealing to World leaders to resolve international tensions? Not any more than He appealed to Jewish, Roman, Greek and Barbarian leaders in the days of His flesh.

Would He seek audience with the heads of state? Not any more than He sought to influence the emperor of Rome.

Would He visit Washington, London, Paris, Bonn, Moscow, etc., urging legislation which would solve humanity's problems? Not any more than He appealed to the Senate at Rome or the Council at Athens.

Would He organize crusades against racial, international, industrial exploitations, crime, delinquency or alcoholism? No more than He proceeded against contemporary social evil in 25 A. D.

If Jesus were to begin His redemptive work in the mid-twentieth century, He would do what He did nineteen centuries earlier. He would choose faithful men to follow Him. He would teach them, train them, and commission them to make disciples... and by that message, in His power, He would turn the world upside down.

The measure of the Church's failure in the modern world is her preoccupation with social action, legislation, organization, and innumerable crusades to the neglect of the preaching of the gospel. Jesus' way is the gospel. His impact upon the world comes through the gospel, not in addition to it. The power of His Church is the measure of her faithfulness in witnessing to that gospel. Paul said, "I determined not to know anything among you save Jesus Christ and Him crucified." And, "I am not ashamed of the gospel of Christ, for it is the power of God unto salvation..."

Dept. President Of American Legion Auxiliary Will Make Official Visit To Glades Nov. 20

Mrs. E. A. Roberts, Department of Florida American Legion Auxiliary President, will make her official visit to this area on Friday, November 20, at a joint meeting of all Glades units, to be held at Belle Glade American Legion Post Home.

The Everglades Unit No. 20, Belle Glade, will be the hostess unit, with South Bay No. 161, Clewiston No. 94, and Okeechobee Memorial Unit No. 64 serving as co-hostess units.

A good attendance of members is expected for this event, which is one of the highlights of the Auxiliary season. The meeting will begin at 8 o'clock.

Friday evening and entertainment will be provided and refreshments served.

Mrs. John (Jack) Adams, president of District Nine, and her staff will be with Mrs. Roberts.

Mrs. E. A. (Carrie Mae) Roberts joined the Gordon M. Grothers Unit No. 15 of Dade City, Florida in 1927, on eligibility of her husband. She became a Gold Star Mother in June 1944 with the loss of her son, a Marine, on Saipan in the South Pacific.

She has worked on the Department level since 1935 and has attended 25 Department Conventions.

Mrs. Roberts served the Dade City, Tampa No. 5, and St. Petersburg No. 14 units in most every capacity while living in these towns. Upon the retirement of her husband E. A. Roberts

MRS. E. A. ROBERTS

who was administrator of the American Legion Hospital for Crippled Children for the past ten years, she returned to the farm where she was born and to her home unit.

She was Hospital Representative at Bay Pines for the Department for 2½ years, Department Rehabilitation chairman

for two years. She served two years as Department Parliamentarian, also two years as the Department Poppy Chairman.

Mrs. Roberts was Seventh District President in 1950 and served her District in most every chairmanship.

In her community she is a faithful member of the First Baptist Church. She has served as president of County Federation of Women's Clubs and is now president of District 8 of the Florida Federation of Women's Clubs. She assisted in organizing Pasco County Welfare Board was secretary for the Health Council, and treasurer of Pasco County Child Welfare Council.

Xmas Decoration Ideas Exchanged At Glades Meeting

Canal Point and Pahokee Home Demonstration Clubs were invited guests of the young Homemakers Home Demonstration Club when they held their November meeting Tuesday, November 10, at the home of Mrs. H. E. Priest, in Chozen.

The program featured ideas for both indoor and outdoor decorations for the coming holiday season. Each person brought an ornament or decoration and explained how it was made, what materials were needed and where they could be obtained. Especially interesting was a large panel of felt figures depicting the wise men and the manger. Also shown were wreaths, decorated balls and tree ornaments.

Various coffee cakes and cookies were served with coffee to the 21 ladies attending. Mrs. Mary Lou Shiraz, Assistant County Home Demonstration Agent of West Palm Beach, was in charge of the program.

The next meeting will be at the Canal Point Community Center December 8, and will feature Holiday Foods.

Pixie 4-H Group Choose Club Proj.

At their November 12th meeting the Pixie 4-Hers chose as their club projects collecting socks, magazines and good used toys for Goodwill, for the Osceola Camp Nursery and for the children in Glades General Hospital.

They report they now have \$3.85 in the treasury.

After enjoying punch and donuts following the business meeting, the girls had a sewing session.

Junior Orange Bowl Queen Competition Here Nov. 27

Miss Pat Anderson announces the competition for the Junior Orange Bowl Queen will be held November 27, 1964 at the Community Center at 7:30 p. m. Contestants must be living in Belle Glade or South Bay; they must have passed their 12th birthday and not reach their 14th birthday by December 12, 1964.

The contestants must wear short dressy dresses. They will be judged on personality, poise and general appearance. This is a contest to choose a representative typical girl in the Jr. high school. We are not looking for glamour, but rather for fresh, wholesome good looks and personality.

Three girls will be chosen to go on an equal basis to the finals in Coral Gables on December 12th. One of these girls will be given the title of "Jr. Miss Belle Glade."

Contestant Miss Pat Anderson to obtain entry blanks. Deadline for entering the contest will be November 25, 1964.

Miss Martin Will Be Dec. Bride

Mr. and Mrs. William Nye Martin of Belle Glade announce the engagement of their daughter, Donna Gayle, to Mr. Robert Walter the son of Mr. Florence Walter and the late Mr. William Walter of Allentown, New Jersey.

Miss Martin attended Palm Beach Junior College and completed her studies at the University of Florida.

Mr. Walter is a graduate of Dickinson College. He is now employed at Ft. Myer in Arlington, Virginia.

The wedding will take place December 19 at the Allentown Methodist Church.

Miss Willadene Todd Will Wed Montgomery Raft Murphy Friday

Miss Willadene Todd, daughter of Mrs. Owen G. Todd, of Pahokee, will become the bride of Montgomery Raft Murphy, son of Mr. W. L. Murphy, Lake Park, Friday evening at 7:00 o'clock, in the Northwest Methodist Church, West Palm Beach.

Traditional wedding music will be furnished by the church organist.

Miss Todd has selected for her wedding a pale green steel length dress with a pale green and white cymindium orchid corsage. Mrs. Joan Gann, sister of the bride will be matron of honor. Mr. W. L. Murphy will be best man for his son.

The bride is a graduate of Pahokee High School, Palm Beach Vocational Beauty School and has been employed with Ina's Beauty Salon in Belle Glade.

The groom is a graduate of New Brunswick High School, New Brunswick, New Jersey, and is employed with Western Electric, West Palm Beach. Following a wedding trip, the couple will be in contact with his employment with Western Electric.

Arriving here Sunday from Nokomis, Illinois, for a visit with the Carl Waggoners were Mrs. Waggoner's mother, Mrs. William Miller, her sister Miss Joan Miller, and Mr. Carl Probert. Mrs. Waggoner, who with her husband attended the annual meeting of the Farm Bureau Federation in Orlando last weekend returned home Sunday night. Mr. Waggoner stayed on through Tuesday for the final activities.

Cardiac Diets Discussed At Meeting Today

Dr. J. Allen Baker will explain cardiac diets during a special program planned today at the meeting of the Belle Glade Woman's Club at the Civic Center. Everyone is invited.

Called "Heart-Y Eating," the program at 3 p. m. Thursday, November 19, (today) will cover weight control and low-fat and low-sodium diets.

Mrs. Kay Latham, home service representative for Florida Power and Light Company, will demonstrate ways of preparing foods for the special diets. A tasting session will follow.

A booklet of menus and recipes will be given to each person. One dinner suggestion shows how someone who must restrict his fat intake can have such interesting foods as Savory Beef Stew, Beet and Cabbage Relish, Pumpernickel Bread and Peach Delight.

The Heart Association of Palm Beach and Martin Counties is presenting the workshop. Mrs. William Rhodes, president of the Woman's Club, invites persons interested in the problems of cardiac diets to attend.

The local Heart Association has presented similar diet programs in Delray Beach, West Palm Beach and Stuart. Another is planned in Palm Beach.

"Any prescribed diet will mean some changes in a person's eating habits," points out Dr. Eugene Funderburk, chairman of the Heart Association's community service committee. This is unavoidable.

"Through this current program we hope to assist heart patients in making certain changes in their diet and still keeping it in balance."

Mrs. Dora McWhorter spent a week in Savannah, Georgia, where she met her sister, Mrs. Sada Broughton, of Hernando, Indiana, whom she had not seen in twenty years. The reunion took place at the homes of her nieces and nephews.

Mr. and Mrs. C. B. Talmadge were guests during the past weekend, of Mr. and Mrs. Richard Poston. The Talmadges are former Belle Glade residents where they served as City Manager. He now is city manager at Titusville, Florida.

Mr. and Mrs. Frank Doolley plan to leave Friday to visit in Gainesville, with their daughter, Patsy, student at the University of Florida. While there, they will also attend the game of Florida Gators vs. Florida State Seminoles, in Tallahassee, on Saturday.

Miss Kathleen Rogers, Mrs. Gladys Jones, Mrs. Irene Dobb, and Mrs. Rosa Nash attended the District B. P. W. Meeting in Vero Beach Sunday. The program was on World Affairs.

Mrs. Nash is District Director.

Mrs. L. D. Hewitt returned home Monday night from Panama City. The Hewitts were called about three weeks ago to attend a funeral there. Mrs. Hewitt remained, as her sister-in-law was seriously ill.

Mrs. R. E. Stockstill, who spent a week visiting with her sister, Mrs. Emmett S. Roberts, left Saturday to return to her home in Gainesville.

Mrs. Imogene Goodlett has accepted a position as secretary with Everglades Farm Bureau and began her duties Monday morning.

Mrs. Joe Friedheim has returned to her home here in Belle Glade, following an extended visit with her daughter and son-in-law, Mr. and Mrs. David Masters and newborn son, in Miami. The new arrival is named Joseph Anthony.

St. Peter's Lutheran Church Hosts Walther League Rally

The Walther League of St. Peter's Lutheran Church will host the Fall Rally of Zone No. 2 this Sunday, the 22nd of November, at the Belle Glade High School Cafeteria. Young people representing 18 Lutheran Churches from Southern Florida will attend.

The Rally will begin at 2:00 p. m., with registration of approximately 150 Leaguers. Opening devotions will be held from 3:00 until 3:30 p. m. This will be followed by a business meeting from 3:30 to 4:00 o'clock. At that time, a banquet will be served by the Ladies Aid Society of St. Peter's. The Cafeteria will be decorated in Fall and Thanksgiving Colors to carry on the Rally Theme "Harvest for Christ."

All young people of Belle Glade, who would like to attend this Rally, and join in Christian fun and fellowship with other young people, are asked to contact Pastor Rossmann, before Saturday.

Friends Invited To 50th Anniversary Open House

Mr. and Mrs. Robert Fliche, 5743 S. E. 7th Street, will be honored on their 50th Wedding Anniversary with open house at the Country Club on Thanksgiving Day.

Friends may call from 2:30 to 5:30 in the afternoon. No formal invitations are being sent in Belle Glade, but all friends of the honored couple and the family are invited.

Hosts for the occasion will be their children Dr. Don Fliche, and Mr. and Mrs. Dallas Nehls of Belle Glade, and Mr. and Mrs. Marvin Fliche of Coswell, North Dakota. Another son, Irvin Fliche and his wife and family, who live in Claymont, South Dakota, will not be able to attend.

Mrs. Carpenter assisted the Fliches in entertaining. The Thanksgiving motifs were used in the party appointments and refreshments.

Others present were the Rev. W. B. Bolland, church pastor, who gave the benediction, Mrs. Curtis A. Thompson, Jr., Mrs. Larry Royal, and Mrs. Lee Crawford.

Rotarians Hear Byrom's Report Of Visit To Sudan

Mr. Byrom (center) of the Sudan, speaking at the Rotary meeting.

Mr. Sung Lee (center) of the Sugarcane Breeding Station, Panyang, Taiwan, China added to the International atmosphere of Mills Byrom's talk to Rotarians Friday on his trip to the Sudan for the purpose of assisting those folks to set up and operate a Kenaf processing machine built from

specifications by Mr. Byrom's department at the Everglades Experiment Station.

Slides shown by Mr. Byrom were of the people and conditions of the Africans — tall, short and in-between in size.

The Sudan imports some \$16 million for jute, or a substitute, annually for bagging, and the kenaf, which grows 15 feet tall, here is a high hope for that government to produce at home and save that money needed in foreign exchange.

Nat'l Guard Asks That Compound Not Be Moved

The county commission Monday, took under advisement a request from Lt. Col. Buck W. Hunt that the present National Guard truck storage compound at International Airport not be moved to a new location. Col. Hunt emphasized the importance of having a storage compound suited to the needs of the vehicles maintained and ready to move at a moment's notice.

The commission agreed not to move the storage area until all concerned agreed that a new location would provide the Guard with a suitable area for maintaining and securing the \$300,000 worth of trucks not kept at the airport.

William Burnett Killed In 2-Car Crash Near Macon

A two-car head-on crash near Macon, Georgia, on Thursday, Nov. 19, claimed the life of William Burnett, 19, formerly of Belle Glade, and two of his classmates as they were headed toward their homes in Macon, from Statesboro, Georgia.

A four-hour boy, who was driving the car, was seriously injured.

The trooper, J. C. Pope of Dublin, Ga., who investigated the accident, said the car in which the students were riding apparently blew a tire and went off the right side of the road, then swerved back across the road into the path of the oncoming auto.

Mr. Burnett was a freshman at Georgia Southern and a member of Bloomfield Methodist Church. He graduated from Williamson High School where he played football and was a member of the school band. He attended Belle Glade Elementary schools and moved with his parents, Mr. and Mrs. Eugene Burnett, from Belle Glade to Macon six years ago.

Funeral services were held Sunday in Bloomfield Methodist Church, Macon. Burial was in Macon Memorial Park.

Survivors are his parents, Mr. and Mrs. Eugene Burnett, of Macon; two brothers, Kenneth Michael and Dennis Irvin Burnett; two sisters, Nora Kathryn and Karen Marie Burnett, all of Macon.

Attending from Belle Glade were Mrs. Bruce Williams and children Patricia and Larry, and Miss Lynn Broome.

Interceptor Canal Bids To Be Opened In Jax On Dec. 15th

Bids will be opened Dec. 15 in Jacksonville for excavation of a 30-mile-long levee and canal on the western side of Conservation Area 3 of the Central and Southern Florida Flood Control Project. A part of the same contract, expected to cost about \$3.5 million, calls for construction of an automatic gated concrete spillway in the canal adjacent to the levee and a sheet pile spillway. The work cuts through the western part of Broward County, northeastern Collier County and southern Hendry County.

Known as Levee 28 interceptor canal and Structure 190, the work extends into the Big Cypress Indian Reservation in the Everglades. The gated spillway will be built about a half mile south of the junction of two feeder canals which are a part of the same job. Some 9,000,000 cubic yards of excavation will be involved. The contract to be awarded by the Corps of Engineers calls for completion of the flood control structure with 453 calendar days and completion of the entire canal excavation job within 610 calendar days.

Gary Cook Receives Merit Award

Gary Cook, a seventh grader in Belle Glade Junior High School, who recently saved two-year-old brother Robert from drowning in the canal near Tillman's Trailer Park, has received a merit award from the Dairy Council of South Florida.

Gary, 13, is the son of Mr. and Mrs. Leamon Cook, who live in the trailer park at Belle Glade.

County Wild Hog Hunting Is Legal

A free-roaming hog may be game animal and hunters should use caution when hunting wild hogs, said A. D. Aldrich, director, Game and Fresh Water Fish Commission, as he clarified the status of Florida's wild hogs as game animals.

Wild hogs may be taken as game animals only during the open season designated for wild hog hunting in 13 wildlife management areas plus all of Palm Beach and Alachua Counties.

On special areas and in Palm Beach and Alachua Counties, the wild hog is classified as a game animal and subject to the regulations and protection afforded other game species. A daily bag limit of one wild hog per day and two per season will be in force in all areas open to hog hunting except on the Camp Blanding Area, where the season's limit is four.

Before going hog hunting on lands other than the 13 designated areas or Palm Beach and Alachua Counties, the hunter should always obtain the permission of the landowner. It is also helpful to verify with the County Sheriff claimed to determine whether hog claims are in effect in the area selected for hunting and to determine the fact of ownership.

Questionnaires Sent To Farmers For Ag. Census

Questionnaires for the 1964 Census of Agriculture are now being mailed out to farmers and ranchers of Palm Beach County, according to John Hooker, crew leader in charge of the census in the county.

The questionnaires are expected to reach the farmers within a few days. This will allow the farmers a period of

time in which to consult their 1964 farm business records in order to answer questions on the form accurately before enumerators begin calling on individual farmers to collect the questionnaires.

An enumerator will call on every farmer in the district under his supervision, the crew leader said. At the time of the call, the enumerator will help

the farmer complete answers to any questions that prove difficult to understand and check the form for accuracy.

The do-it-yourself aspect of the farm census is aimed at saving time and effort. The Census of Agriculture is taken every five years in the years ending in "4" and "9" to gather needed, up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number of size of farms, acreage and harvest of crops, livestock inventory, information on farm equipment and facilities, farm products sold, and use of fertilizers, insecticides, and herbicides.

Ann Webster, 19 Receives Injuries in Car Accident

A traffic accident last week resulted in the hospitalization of Patricia Ann Webster, 19, of 1121 NW Ave. H Place in Belle Glade.

Miss Webster suffered head injuries when the vehicle she was driving went on Highway 80 struck a pickup truck being operated by Gilberto Gonzalez 39, of 341 SW 2nd Drive in Belle Glade.

Gonzalez told Florida Highway Patrol Trooper W. B. Richardson he had slowed his vehicle to avoid a disabled labor bus stalled near the side of the road.

Richardson said Miss Webster reported the back lights on the vehicle being operated by Gonzalez were not burning. She attempted to steer the compact auto she was driving to the side of the road and hit the pickup truck a glancing blow.

Miss Webster was taken to the Glades General Hospital in an ambulance. An attending physician said she suffered a possible brain concussion.

Damage to the compact auto, belonging to Miss Webster's mother, was estimated at \$30, while damage to the rear of the truck was about \$25.

Richardson cited Gonzalez for failure to have the back lights on his truck burning.

participation in the largest amphibious combat training exercise in the Atlantic since World War II.

He is serving with Second Battalion, Second Marine Regiment, Second Marine Division, Camp Lejeune, N. C.

The operation, called "Steel Pike," saw 28,000 Marines of the Second Marine Division, Second Marine Aircraft Wing and Force Troops, Fleet Marine Force, Atlantic, along with a battalion of Spanish Marines land in a mock assault on beaches in Southern Spain.

The assault force landed by landing craft and helicopter from a U. S.-Spanish fleet of 94 vessels including ships of the United States Military Sea Transport Service and chartered ships of the U. S. Merchant Fleet.

"Steel Pike" again demonstrated the ability of U. S. and Allied amphibious forces to rapidly place large numbers of troops with all their equipment ashore and maintain them for as long as necessary. It also trained the forces of both countries in conducting joint operations.

His unit was part of the beach assault force during the operation.

1964 Ag. Census Up-Dates PBC Farm Statistics

The 1964 Census of Agriculture, now being conducted by the Bureau of the Census, U. S. Department of Commerce, in Palm Beach County, will bring up to date farm statistics last collected in 1959.

There were 527 farms in 1959 compared with 874 in 1954. The average size of farm was 706.7 acres in 1959, compared with 510.9 acres in 1954.

The value of products sold by the County's farmers in 1959 was \$50,487,325. The value of all crops sold was \$35,216,506. The value of all livestock and livestock products sold was \$15,170,819.

Among the major expenditures of the County's farmers in 1959 was \$4,959,865 under-

Ample Parking Problem

We see where the Belle Glade Merchants Association has, at long last, begun the enormous task of trying to solve the parking problem in the business area of this city.

Ample parking space, in this day and age of mobility is a must, if merchants are to survive and meet the competition of shopping centers where the customer can drive right up to the door of a store or group of stores, park his car and shop in leisure, with no fear of a parking ticket being on the windshield when he comes out.

In fact, "Space" has become more valuable than store buildings. Without it the present day merchant, no matter how big or how small, is in a bad way.

What is amazing is that the merchants and owners of valuable property in the business area of Belle Glade, have waited this long to face up to this important problem.

However, the "ample parking problem" has grown so big in Belle Glade that it is no longer a problem just for the merchants—it involves every citizen in town.

If this town is to progress and move ahead, it is essential that a modern up to date shopping area, with ample free parking space be available for all to use.

It's a big problem and the Merchants Association will need all the help they can get.

The conquest of "space" is not confined to the outer limits... sometimes it begins right here at home.

UNCLE DAN from DOOLIE says:

Dear Mister Editor:
 The fellow at the country store Saturday night was proving to be a good fellow. The election for President and the Congress didn't please all the fellows but everybody was agreed the people had spoke. And Ed Doolittle and Clem Webster, that voted Republican and Democrat, respectively, was also agreed the voice of the people had to be the law of the land. We was to live under a democracy.

But Zeke Grubb, that ain't told nobody yet how he voted, was of the opinion that the election was like the roomatism, it was going to hurt a little bit all the time and folks had the right to keep on hollering without getting thrown out of the lodge.

For instant, said Zeke, he was reading where 56 cent out of ever dollar earned by the American people was now passing through Washington in some form of taxes. Zeke allowed as how he was going to keep on hollering about this item, if they elected Billy Graham for President the next time around.

Clem reported he had saw in the paper where a democracy was the most expensive form of Government on earth and was just as well get used to them boys in Washington taking their cut.
 Bug Hookum agreed with Clem, said it made him recollect a story back when Franklin Roosevelt was President. This old farmer was bad in need.

The Orient Can Be Most Interesting

Two Belle Glade ladies, Ruth Wadsworth and Edith Freedlund were privileged to make a tour of the Orient this summer, and their reports are of great interest to all. We offer this report, as of interest to those who are seeking to broaden their horizons on the life of the Orientals and their customs.

JAPAN

By Edith Freedlund

The gardener has just completed wrapping the tree, to prevent bruising in transplanting.

In driving out in the country we were surprised to see so many familiar plants — palm trees, oleanders, bananas, Jacaranda and mandarin oranges growing up a hillside. This is a subtropical country with an average temperature of 70 to 75 degrees. It was a lovely drive up Grass Mountain to 1,000 feet elevation. We passed a Camphor Factory. The roads are well kept, but it is necessary to reinforce the sides of the hills and mountains with a wall of rock, stone or concrete. This is true of all the places where we drove into the hills. They have 101 in. of rainfall, and everything was green and lush. We especially admired the dwarf bamboo along the road. There is an attractive settlement of American Officers' homes, and many summer homes of the wealthy. Native soldiers were working on the roads. There is a large Presbyterian Theological Seminary located on a hill with beautiful surroundings. There are these Catholic churches in Taipei, and also a Grace Baptist, Wesley Methodist, Lutheran, Presbyterian, Calvary Baptist, Church of Christ and St. John's Episcopal. There are two hundred thousand Protestants and one hundred fifty thousand Catholics here. Sixty five percent of the people are Buddhists, and five percent are Protestant. There are forty thousand Moslems. There are also an International Women's Club, American University Club, Rotary and Lions Clubs. Luncheon was served at a Hotel way up in the mountains. The grounds had formal gardens, which were beautifully kept. Since 1933 people have been able to own land and now the average is 2 1/2 to 3 acres apiece. Chiang has built this island into a paradise of prosperity and reform, Taiwan has the second highest standard of living in Asia (after Japan), also the second highest per capita income and rate of economic growth. More than 85 percent of the land is now owned by the farmers. There are cement plants, sugar and textile mills. Chiangs policy is the three principles of Sun Yat-sen, "Nationalism, Democracy, and the people's livelihood." We passed many sulphur mines, and went near an inactive volcano. At Petchu there are seventy seven hot spring inns, very attractive on the hillside. We were told that men come up here for a weekend of baths and relaxation. When we asked our guide if their wives came also, we were told, "No."

Another day we drove about 15 miles to an Aboriginal Tribe, the Amis. We had a long walk from our bus across a suspension bridge, up a steep flight of stone steps to a "Hand Pushed Railway" made of wood. Each seat would hold two people. It was very old and rickety. There was only a narrow hand rest, and nothing to hang onto. We were pushed by young Aborigines girls. They would push awhile, then on a smooth place, hop on and ride awhile. A few times they were able to stop and rest, such a feeling of being suspended in mid-air! Frightening, to say the least. When we arrived at the top, we were immediately surrounded by dozens of women and girls clamoring to have us buy something from them. They had all sorts of odd souvenirs, postals, colored slides etc. I wanted to buy something from the girl who pushed us all the way up, so finally got a black teakwood boat with hand painted sails. On the way down, brakes had to be applied, and it seemed doubtful sometimes if they would hold. About half way down we stopped, and were seated on boxes beside the railroad, where a most colorful dance was performed by girls in the brightest costumes I have ever seen. They seemed very happy as they danced. Two people made music with unfamiliar instruments, and the names of the dances were announced, so that we could understand them better. Small bamboo sticks were used in one dance, and a marriage dance was

done with the bride and groom drinking wine and getting tipsy — at least that was the impression they wished us to have. All the Aborigine people were very short, and had rather dark skin. The country is all hilly and mountainous, and in one place I noticed seventeen terraced rice paddies, each one farther up the mountain. Water Buffalo are used in cultivating. Beside the road was a small pool of water with a water buffalo lying down in it. They seem to be gentle creatures, because later we saw many in an unfenced field.

At the Handicraft Promotion Center we saw some fabulous things made of jade, porcelain, copper, ivory and also rugs and tapestries. The workmanship was superb. Taiwan is served by five Airlines. Chinese cuisine is world famous, and it can be divided into six different styles, among these are Mongolian, Shanghai, Cantonese, and Peiping. Nationalist China is governed by President Chiang Kai-shek, seventy six years old. Chiang and his followers have been on this island, ninety miles off mainland China, since the Reds pushed them off the mainland in 1949. The Chiang government today has nearly 600,000 men under arms. It has a crack jet air force, with U-2 planes that fly regular missions over China. This is by far the best military force in Asia.

Your Library

One service a library can offer this time of year is a place for the book buyer to window shop. If there are books on your Christmas list for children, then you might be wise to drop by your library to browse over the titles in the juvenile section.

You can then descend on your favorite book store, armed with title, publisher, and the list price of just the book you want.

A list of suggested titles could go on for pages. Here, picked at random from the library shelves, are some possible choices. The Illustrated Treasury Of Children's Literature.

A library in one book, charmingly illustrated, this book is a real boon to family reading. Its 312 pages were edited by Margaret Martingoni, formerly Superintendent of Work with Children in Brooklyn Public Library, a library famous for its children's division. The book has something for all ages. Famous Paintings: An Introduction To Art, Chase.

For the budding artist on your list, a beautiful book of well known paintings, with a discussion of each, that will help him to see the art with his mind as well as with his eye. He Like This, Cat, Neville.

Winners of the Newbery Medal Awards are always good choices for gifts. The hero in this winner (and the cat) is age

14. He narrates, in fine casual style, a story that relates to the problems of the "modern" 14-year-old. (Mom has asthma attacks when he and Dad have fights). The American Indian.

This young reader's edition of the American Heritage Book of Indians is filled with colorful illustrations, and interesting reading. The library has a hard time keeping it on the shelf. Shakespeare's England.

Does she think she'd like to teach English, or History? Indulge her whim with this truly beautiful book, published by Horizon Magazine. Check full of history, and excellent illustrations, this is a book to own with pride.

Birthday Party
For James Miller

James Miller celebrated his 7th birthday with a party at his home on S. E. 4th Avenue given by his parents, Mr. and Mrs. Dick Miller.

The boys and girl's adults attending enjoyed birthday cake, ice cream, punch and candy.

Many lovely gifts were received by the honoree from those who attended, who were: Brent Woodham, Randy Davis, Mike Jones, Winfield Ingersall, Kipp Newsome, Lori Hicks, Pam Reeves, Kathy Hicks, Cheryl Harrell, Adele Zywicki, James Ouellette, Joni Ouellette and Denise Ouellette.

Denise Barnes, Jessica Lindsey, Robin Kellie, Judy Ann Sullivan, Bert Barnes, Sandy Devane, Isla Leathlean, Cindy Cook, Terry Cook, Floyd Gals, Bobby Ingersall, Dawn Spradley, Michael Hicks, and Charles Miller.

Adults who attended were Mrs. A. B. Barnes the grandmother of the honoree, Mrs. James Hubbard, Mrs. Howard Woodham, Mrs. Lucy Pearl Carter, Mrs. G. C. Cook, Mrs. Verda Higginbotham.

South Bay's Police Problem Continues

The South Bay City Commissioners and Mayor Henry Elfers were in a house cleaning mood last week and unceremoniously fired Police Chief Ralph Ward and his two police officers Ed Corley and Lynn Tucker.

The dismissals were to take effect December 1, but Corley and Tucker indicated they would quit at once. Chief Ralph Ward said he would not continue until Dec. 1.

After an executive session, the commission asked for the resignation of all officers except patrolman Richard Sherrod, who patrols South Bay Negro Section.

By Friday morning all three policemen had resigned and been paid off by the city. Discharging the three policemen was by unanimous action of the commission.

W. C. Allen who is a former South Bay Commissioner and former police commissioner, began on Friday helping at the school zones. Allen is a member of the Florida Highway Patrol Police Auxiliary. Assisting him is W. C. Bowen until vacancies are filled by the commission.

According to Mayor Henry Elfers and police commissioner Pappy Denton, approximately three to five applications have been received for the patrol men's job. No applications or considerations have been taken for the Chief of Police job, the commission reported.

City Commissioners Hold Busy Session

The South Bay City Commission in regular session on Thursday evening at the city hall had a long session with much action taken by the commission.

Mr. Paul Hodus requested of the city for a peddler's license with in the city and after much discussion the request was tabled until the next meeting.

The commission passed an ordinance for the rezoning of Walker's Subdivision Lots 15-20, Lots 1-6 and Lots 11-18; and in Roberts Subdivision, Lots 11-

36. The rezoning was from R-2 Residential to R-2 Restricted which allows for only one family homes or duplexes.

City Administrator W. E. Engleton announced that the tax bills had been sent out with a total of \$25,717 in Property Tax and \$358.00 in Personal Tax.

The commission granted all hourly employees of the city a 10 cent per hour raise.

A request which was tabled at the last meeting of the commission concerning the Liquor Hours on Sunday was again discussed and the commission passed a motion "That the hours related to Sunday Beer, Wine and Liquor laws be continued to be as they are. This law now states that only Restaurants may sell any type of alcoholic beverages on Sunday and this be- fore weeks for final surgical treatment.

The commission granted \$25.00 to the Belle Glade Athletic Council as a donation.

The commission again this year requested the South Bay Garden Club to be responsible for the decorations of the City at the Christmas Season.

Mr. William Masonic was named Chairman of the Zoning Board again for the coming year. A request for approximately 15 lights for the Masonic Goodbread subdivisions was discussed and is under survey.

—NEGRO NEWS—

St. John's Associational Meeting
St. John First Baptist Church, host to the 25th annual session of the Greater South Florida Baptist Association, November 3-6, 1964.

The local program Tuesday night, was an enjoyable one which will be long remembered by all who witnessed it. Among the many speakers appearing on the program giving words of welcome to the delegates, was the honorable Mayor Williams, representing the city, and Office of Matthews, who speaks for the Police Department. The very impressive welcome from the

Among the many highlights of the Associational meeting, was the Moderator Adam's address, which was given on Thursday afternoon. His thoughts were centered around "The Church as Christ."

The period of the election of Officers for the Parent Body, was presided over by the Rev. G. D. Williams, pastor of New Bethel Baptist Church, and Moderator of the Kissimmee Valley Baptist Association.

Many of the states' most eminent Pastors were heard during this session. They delivered powerful messages, which were inspirational, educational, and informational.

Mrs. Miller, president of Progressive Baptist Women Convention of Florida, and Reverend E. L. Hamilton, Vice President of Progressive Baptist State Convention were special guests.

President Houston was quite dynamic in delivering her annual message on Friday night. She centered her message around the "theme," "Facing New Frontiers with Christ."

The election of officers for the Women Convention, was held by Dr. D. D. Williams, New Bethel Baptist Church. Following this, the Women Convention presented a "Queen's Contest" for the purpose of Education. The participants were Mrs. L. Rogers of St. John First Baptist, Mrs. Elizabeth Butler of St. Paul Lake, and Mrs. Christine Davis of First Baptist, Lake Wales. Mrs. D. D. Williams, New Bethel Baptist Church, presented the lovely program for the event. Prizes given: First prize, \$25.00, second prize, \$20.00, third prize, \$15.00.

Saturday was "Youth Day." Mrs. J. Austin, Mrs. W. M. White and Mrs. A. Williams, presented programs for their respective Departments: Children, Young People and Junior Women. The programs presented throughout the day by the Youth of Greater South Fla. Ass'n, are worthy of emulation.

Reverend G. J. Martin, Vice Moderator, presided at the noon Sunday morning. It was very inspirational and highly acceptable.

ed. After the message, tribute was paid to the illustrious Moderator, Adams, by the audience.

In the afternoon, after a lovely song festival, tribute was paid to the very prominent president, Mrs. A. Houston. The Association adjourned to meet in Lake Wales with the First Institutional Baptist Church, Rev. S. Fields, pastor, for the 1965 session.

President Houston, Moderator Adams, and other workers will motor to St. Augustine, Tuesday Nov. 17, to share "Founder's Day" for the Florida Memorial College. The group will present over \$500.00 for Education, which was raised by a special effort of Pres. Houston and the Sr. Women Dept.
